## BeQuest for Life

*This gift of life is  
only possible with  
your support!*

*For many, a gift in their Will provides an opportunity to significantly contribute to causes dear to their heart in ways they were unable to during their lifetime. This treasured gift enables you to make a lasting impact and an opportunity to offer others the gift of kindness and compassion.*

## The Quest for Life Foundation

There are many events in life that stop us in our tracks and cause us to consider how best to meet the challenge we face: an unexpected diagnosis, an accident, loss or tragedy can be such an impetus.

Founded in 1990 by Petrea King, the Quest for Life Foundation is a registered charity providing a range of residential programs and services that encourage, empower and educate people living with cancer, neurological and other serious illnesses, or who are suffering from grief, stress or trauma and their carers.

Much of the focus today is on research and evaluation of programs and services. While these are essential elements of dealing with life threatening illness, grief, loss and trauma the need for services to support people in living well with these challenges is just as vital. The Quest for Life Foundation provides this support.

Participants leave our programs with a renewed sense of control and an ability to live their lives fully.

*This gift of life is only possible with your support.*

## BeQuest ... A Lasting Gift

Making a gift in your Will to the Quest for Life Foundation will touch many lives and give hope to many more.

When you name the Quest for Life Foundation in your Will you support the work of a very special Foundation. It is deeply satisfying to know that you will make a lasting and meaningful contribution to people living through extremely challenging circumstances.

*Your Will is an important legal document which sets out the way you wish your property/assets to be distributed after your death. Making a Will ensures that your loved ones and the causes you care about are well provided for and the administration of your affairs is handled smoothly and correctly.*
