

"Your generosity and support gave me the opportunity to discover for myself, who I am, what I desire from life and how to go about achieving this....Without your sponsorship I could never have discovered all this and so much more. Thank you for leaving the door open to my cage and setting me free to fly."

"In a rapidly changing world in which many people are struggling to cope with their individual crises, the work of Quest provides a powerful sanctuary in which people can reconnect with their spirit, make meaning of their lives and find their

own best answers. In this way we make a valuable contribution to peace in the world, one at a time. The nourishing, healing and supportive environment provided at Quest is only possible with your support. No matter the size, every gift significantly contributes to the lives of those living in the most challenging of circumstances. Thank you for helping us to honour the human spirit."

Honouring the Human Spirit!

Your contribution makes a difference
through donations, monthly giving
or holding an event!

"Quest for Life is founded on love, service to humanity and commitment to relieve those who are suffering in our community. The Quest for Life Foundation

There are many events in life that stop us in our tracks and cause us to consider how best to meet the challenge we face: an unexpected diagnosis, an accident, loss or tragedy can be such an impetus.

Established in 1990 by Petrea King, the Quest for Life Foundation is a registered charity providing a range of residential programs and services that encourage, empower and educate people living with cancer, neurological and other serious illnesses, or who are suffering from grief, stress or trauma and their carers.

While research is an essential element in dealing with life threatening illness, grief, loss and trauma the need for services to support people in living well with these challenges is just as vital. The Quest for Life Foundation provides this support. Participants leave our programs with a renewed sense of control and an ability to live their lives fully.

This gift of life is only possible with your support.

"My time here has been enriching and enlightening. It was the life-line I needed to overcome the obstacles I encountered, which had become insurmountable." (subsidy recipient)

How can I contribute?

There are many ways in which you can help give the gift of peace to those living in crisis.

These include:

- Make a donation
- Give an Honour Gift for a birthday, Christmas or other special event
- Join the Rainbow Club for monthly giving
- Hold an event such as a dinner, head shave, sponsored event, cocktail party
- Gifts in kind or pro bono assistance

Making a Difference through Donation

Your donation allows us to reach those most in need of our services. Donations provide subsidised places on programs, access to therapies for participants on low incomes and enable us to grow and expand our services in ways which would otherwise not be possible. You can make a donation online at questforlife.com.au under the Quest Foundation section or complete the form in this brochure.

Honouring the Human Spirit – The Gift of Giving

An Honour Gift is a wonderful way to honour a person or special occasion by making a donation to the Quest for Life Foundation in lieu of a gift. Whether it is a birthday, christening, wedding, Christmas, anniversary of a deceased loved-one or other special occasion, we will send your gift recipient a card, to let them know of your generous contribution. You will receive the tax deductible receipt for the gift.

The Rainbow Club – The Gift of Giving Monthly

Payroll and monthly giving are highly valued at Quest for Life as they provide us with regular income. This income enables us to plan for the future and commit to services and programs for those who need them most. To register for monthly giving, talk to your employer about having an amount taken directly from your pre-tax income or contact us to have your gift direct debited from your bank account or credit card. Each colour (level of giving) is as important as the next as a rainbow comprises all seven colours equally.

	Violet Membership	\$100 Monthly
	Indigo Membership	\$75 Monthly
	Blue Membership	\$50 Monthly
	Green Membership	\$40 Monthly
	Yellow Membership	\$25 Monthly
	Orange Membership	\$15 Monthly
	Red Membership	Volunteer/Pro Bono Support
	Rainbow Giving	\$ monthly (other amount)

Hold a Fundraising Event

Groups and individuals can hold fundraising events or be sponsored for special events, on behalf of Quest. Such fundraising/special events have included dinners, cocktail parties, marathons, concerts, head shaves and many other creative ideas. When you contact us with your idea we provide written permission, marketing and media support and all that you need to ensure a successful fundraising event.

Pro Bono Support and Gifts in Kind that Make a Difference

Often people or organisations when unable to make a financial contribution, will find a way to support our valuable work. This can come in many forms from professional assistance (for example legal, graphic design, marketing, staff training) or gifts in kind (such as gardening or building equipment, program supplies, manchester and other items required in a residential facility). We have a growing wish list of needed items and services so please contact us if you'd like to help!
